1. Introduction

Site navigation follows standard usability guidelines and encompasses the functionality detailed in this document.

Out of Scope

This functional specification is for the Commerce platform only. Integrations with 3rd party systems such as warehouses are out of scope and will be documented separately as part of the implementation specification phase.

2. Customer Facing

F-NAV01.0	Site Navigation
F-NAV01.1	The system provides configurable navigation throughout the site which is managed within Admin

F-NAV02.0	Top Level Navigation
F-NAV02.1	The system provides top level navigation with drop down menus (see appendix #1)
F-NAV02.2	The system provides drop down menus with a delay for show/hide on hover
F-NAV02.3	The system does not provide the facility to configure the delay for the show/hide on hover

F-NAV03.0	Left Navigation
F-NAV03.1	The system provides left navigation on listing pages (see appendix #2)

F-NAV03. 2	The system includes categories in the left navigation of the listing pages
F-NAV03. 3	The system includes filters in the left navigation of the listing pages

F-NAV04. 0	Breadcrumbs
F-NAV04. 1	The system will provide breadcrumbs throughout the site (see appendix #3)

F-NAV05. 0	Benefits Bar
F-NAV05. 1	The system will provide a configurable text in the website header template
